Fusion 600 Personal Trainer

With its design-forward aesthetic and motivating presence, you've found a new partner in total physical fitness with the Body-Solid Fusion 600 home gym. Design your gym to adapt to your available floor space and address your training needs, preferences and goals. Just add the stations and accessories that will help you achieve your specific fitness goals. Then, work out on your own time, at your own pace, in your own home.

The Fusion 600 features our Bi-Angular® converging press arm that generates 25% more muscle interaction for better results. It also sports a leg curl station that puts you in the driver's seat for developing both hamstrings simultaneously from a comfortable, seated position.

Dimensions: 82.5"H x 72"L x 52"W

Special Features

- Lifetime warranty
- Body-Solid's revolutionary Bi-Angular® press arm that generates 25% more muscle interaction for better results
- 4-position standard press arm with ergonomically designed multi-position handles
- A leg curl station that lets the user develop both hamstrings simultaneously from a comfortable, seated position
