

TBR10 T-Bar Row Platform

TBR10 T-Bar Row Platform

Fits all standard and Olympic bars. Simply put one end of the straight bar into the platform cup and load up the other end with a lat blaster bar and all the weight you can handle. The T-Bar Row Platform features a bronze Oil-Lite bushing that pivots up and down. The T-Bar Row Platform locks rock-solid to either steel tubing (usually on rack or home gym), or bolted to the floor. Full 360° horizontal swivel makes it a dream come true in tight workout quarters. Built for a lifetime of heavy-duty back-blasting workouts! Patent Pending. Cannot be used independently.

Special Features

- Fits both Olympic and Standard straight bars
- Vertical steel bushing pivot goes up and down
- Locks on to either steel tubing or it can be bolted to the floor

Olympic bar optional
