Pro•Dual Biceps & Triceps Machine

DBTC-SF

Pro•Dual Biceps & Triceps Machine

Body-Solid's Pro•Dual Bicep & Tricep Machine provides a seamless change from bicep exercise to triceps exercise with dual grip handles. The adjustable seat and upper arm pad are designed to align the elbow with the rotational axis of the lifting arm. The machine's handle pivots to enhance user comfort.

Best of all, you can buy with confidence, because the Pro•Dual Bicep & Tricep Machine is built to last a lifetime and is backed by the strongest warranty in the industry!
