E400 Elliptical Trainer

Endurance Center Drive elliptical trainers are the perfect blend of research, engineering, performance and technology. Patented technologies have been applied to provide a stable, space-efficient platform to perform rigorous low impact full body workouts. The combination of a natural stride, quality manufacturing and superior programming have created the latest evolution in cardio training. To ensure the best fit for users of all sizes, the E400 features an adjustable stride. The E400 also features wireless heart rate control with advanced heart rate programs.

Special Features
